

**Business District Liability Insurance Policy
APNBA Subsidy Application
2011**

All Portland business districts will get bigger, richer, and stronger through membership in the Alliance of Portland Neighborhood Business Associations (APNBA).

In 2011, APNBA offers a subsidy up to \$250 to help business district associations secure liability insurance. Securing and maintaining liability insurance reduces business district risk exposure and enables business districts to plan activities and district enhancements without the need to acquire additional insurance certificates (most policies include free or very low cost event certificates). General liability insurance is required by the City of Portland and PGE for any business district with hanging banners/flower baskets.

APNBA members are eligible for this subsidy. To receive the 2011 Liability Insurance Subsidy, complete and return this form (with required attachments) to:
